

Minutes for the Friends of the Library Meeting

June 2, 2018

Members in attendance: Emily Raffaelli, Jim Desrochers, Nancy Bird
and Maria Bergstrom

Meeting called to order at 5:00

OLD BUSINESS

Book Sale - The “footprints” worked really well. Next time we need to have our signs/categories more general. We also want to include bookmarks for “Staff Choice” or “Friends Recommendation.”

NEW BUSINESS

Scavenger Hunt -We had a long discussion about what direction we would like to take with the scavenger hunt in light of the recent flooding. Maria read all the e-mails from the members who could be there and we decided to move forward with the following changes.

1. Letter - Maria will make a new letter to go to the area businesses.
2. Checks - We will talk to the businesses that have already donated if they need their money back we can offer to return it.
3. Money raised will go to the library (and library programs)
4. We decided to lower fees to \$50/\$25
5. We will promote businesses and plan to come up with a way that will entice people to go downtown after the hunt. Emily is going to come up with a card “prototype” that we can use. She will bring it to this Wednesday’s meeting.

Next Meeting
